Coaching the Masses

Transformation & Results

As a result of working with Keci Moniquè, single women will thrive in their singleness, be the best version of themselves, master the dating process, learn the creativity of serenity before marriage, as well as the EmpowHERment for thyself. Women will feel inspired, established, and educated on the power of healthy relationships.

I am looking for women who are interested in standing in their power to enhance the quality of their relationships through EmpowHERment, creativity, and liberation from generational disparities to generational love, health and wealth while overcoming the hinderances of their past.

Who do you know that needs my services?

Keci Moniquè is a relationship expert, speaker, authoress, and entrepreneur. As a high-

energy speaker, she presents challenges to her audiences to captivate their focus to hone in on what matters most in relationships. She brings unique perspectives from her personal arsenal of experiences to EmpowHER women from around the globe. Her goal is to amplify the factors of communication, intimate connections, and confidence for the most unyielding affection in keeping relationships thriving and abiding in serenity. Keci Moniquè brings a heart of integrity, creativity, purpose and passion to every event.

Keci Moniquè is committed to providing high-quality coaching to single women to be empowered to thrive in their singleness while mentally and emotionally preparing for marriage. In the Coach and Client relationship, we will establish a creatively collaborative partnership that will guide you in achieving your goals.
